

**Campaign Summary – for use in newsletters etc.**

Priscilla Bacon Hospice is asking every adult in Norfolk and Waveney to donate £3.00 by the end of 2020, so the charity can start building the new hospice in 2021.

The Covid-19 pandemic has caused a dramatic reduction in appointments and treatments for cancers and other life-limiting illnesses, the consequences of which will be felt for years to come. With only 16 specialist care beds for a population of over 1 million, the need for the new hospice is now even more desperate.

By donating less than the price of a pint now, you make it possible for the charity to break ground next Summer.
