

Conferences & Meetings

Planning a meeting, conference or workshop? Why not use our high-tech facilities at Priscilla Bacon Lodge? Your booking will help us to enhance the experience of patients and their loved ones at the hospice.

Meetings & More

At Priscilla Bacon Lodge we regularly open our doors to host meetings, training, team-building events, workshops, and conferences for a wide range of community organisations and businesses. The fully equipped conference suite and meeting rooms are fully accessible, with Wi-Fi.

Why use the Lodge?

In a prime location, with excellent public transport links, we make a good choice wherever you are based, and of course, by booking with us you are supporting hospice care for local people.

Not only are you able to benefit from the building that we have the good fortune to occupy set in beautiful grounds and use our café experience with homecooked food prepared fresh daily, but you can book with us knowing that in supporting us, you are helping to supplement services to that which are delivered by the NHS. This includes a comprehensive bereavement service, specialist equipment, enhanced catering, patient and family transport, maintaining the beautiful gardens and additional services in the future.

Our Service

Whether you run a community group, are a business owner looking for space to hold a meeting or training session, or a clinical group looking for a private space, come to Priscilla Bacon Lodge. We have a range of new meeting facilities open for bookings.

About Us

01

We will supplement the core NHS services and enrich care for those with life-limiting illnesses, and their loved ones, before, at the point of, and after death.

02

We deliver a comprehensive bereavement service, the cornerstone of the holistic care provided by a hospice.

03

We support research, education and training to improve care at the new Lodge, across Norfolk, and beyond.
