

LEAVE A LASTING LEGACY

Remember us with a gift in your Will and help
enhance the care at Priscilla Bacon Lodge

In October 2023, following a five-year, £14 million fundraising campaign, the new Priscilla Bacon Lodge was opened by His Majesty King Charles III.

Gifts in Wills made a tremendous difference to the Priscilla Bacon Hospice Charity's fundraising appeal, with almost £3 million donated directly to the Charity or through the Support Group.

This is a fantastic legacy of those who have benefitted from outstanding hospice care and as a result, more people will receive the best possible palliative and end of life care at Priscilla Bacon Lodge, with:

Increased capacity for inpatient beds

- A larger outpatient unit with treatment rooms and group spaces
- A wellbeing centre with therapy rooms and a gym
- Community-based services for support at home
- A café and dining area with dedicated chef and catering team
- Extensive gardens and landscaped grounds
- Space for research, education and training

Eileen from North Walsham decided to leave a gift to the Charity in recognition of care given to her daughter...

"My daughter Susan received the most wonderful care at Priscilla Bacon Lodge, so after she died, I decided to leave a bequest to the Charity in my Will. I know that my gift will help others to receive the same level of care and support."

HOW YOUR LEGACY WILL MAKE A DIFFERENCE

Medical care at the new hospice is funded by the NHS and delivered by Norfolk Community Health and Care NHS Trust.

The work of the Priscilla Bacon Hospice Charity enhances services at the Lodge, enriching the experience for patients, and their loved ones before, during and after bereavement.

Our future plans include establishing Priscilla Bacon Lodge as a centre for research, innovation, education and training. We aim to expand the reach of care and support within the community, continue to supply specialist equipment and provide additional comforts for patients.

CATERING AND THE FRIENDS CAFÉ

We are committed to ensuring the excellent care at the Lodge is supplemented by excellent food.

BEREAVEMENT SERVICE

Developing a comprehensive bereavement service - a crucial element of holistic hospice care.
