Enhancing the care for patients and their loved ones at
Priscilla Bacon Lodge

Thank you for supporting the Priscilla Bacon Hospice Charity

We are committed to enhancing the care of patients and their loved ones at Priscilla Bacon Lodge by supplementing the core services provided by the NHS, both within the hospice and throughout the wider community.

Your support allows us to provide freshly prepared meals, maintain our beautiful gardens, and fund essential specialist equipment. We've recently introduced music therapy, art sessions in the gardens, and complementary therapies such as massage, reflexology, aromatherapy, and mindfulness. Additionally, we offer vital bereavement services, including drop-in sessions, group therapy, and one-to-one counselling.

We could not do this without your support. Thank you for helping us to continue enhancing care and expanding our services to reach even more people.
